Lampang Intertech College (LIT) was established in 2004 under the commitment to train professionals at the degree level. LIT has since provided the society with qualified workforce from strong generations of graduates. The college is small in scale, but large in graduates' employment rate. Attention is well given to individual student.

LIT is currently offering undergraduate degree courses including Accountancy, Human Resource Management, Marketing, Information Systems, Tourism and Industrial Technology. In 2013, LIT has added Master Degree program courses in Business Administration led by qualified lecturers and leading professionals in the field. In accordance to serve the community with knowledge and professionalism in the age of AEC, LIT also offers a Bachelor Degree in International Business in English to provide learners with opportunity to acquire English language skills. LIT opens opportunity for students who are interested in seeking experience overseas with partner colleges and Universities in PR China.

LIT maintains interest in working with community to preserve local and cultural artifacts and ways of life. Research and activities have been conducted as part of the college mission.

LIT continues to work efficiently with parents, students, its community, partners and its society at large.
